

Dance & movement Research

2 0 2 4

Dance & Movement Research 2024, **Monday 15 January to Friday 19 January** at the **Old Fire Station Arts Centre**, Oxford is a week of exploration in dance and movement for creative artists and dance artists organised by **Oxford Contact Dance**.

You can join two strands of movement research:

- **Residuals** – combining dance making and mark making;
- **Body Mod** - using temporary body modifications to explore movement and dance.

You should have some **practice in contact improvisation** as this will be the basis of our research together. The week is divided into morning and afternoon sessions during working hours (10am – 5pm) and you should be able to attend for at least a whole morning or afternoon, possibly more.

There's no charge to participate. Please **apply** explaining your dance background; motivation; and availability. Thank-you.

Apply before Monday 15 January 2024.
